# Business standard conditions

- As a member of the Swiss Freight Forwarding and Logistics Association (SPEDLOGSWISS), we work exclusively in accordance with the from them decreed provisions “General Conditions”, latest versions, GC Spedlogswiss for transport and logistics, and GC Spedlogswiss Storage for warehousing business.

# Road transport

## Reliable and flexible all the way to the destination!

- We can rely on an extensive and powerful network of partners for your road transports, combined with the competencies of leading medium-sized logistic service providers.
- We offer full and part loads, express and courier services.
- Our road transport team has the necessary expertise to handle your transports of hazardous goods

# Air freight

A large cargo aircraft is shown from a low angle on a tarmac. The aircraft is white with red accents on the engines. In the background, there are airport buildings and other aircraft. Overlaid on the image are blue dashed lines representing flight routes. Four blue location pins are placed on the routes, labeled 'Dubai', 'Mumbai', 'Chicago', and 'Singapore'. The text 'Air freight' is written in white on a dark teal background in the top left corner.

## En route in the air for our customers

- Our firmly booked freight capacities allow air transports at short notice
- We meet your individual needs for special transports such as hand-carrier, combined transports ocean/air, charter, express, hazardous goods, delicate products, as well as crosstrade
